ROOTED IN HOPE. GROWING IN IMPACT.

Deep Roots. Lasting Hope. Growing Opportunity.

This Holiday Season, Help Hope Continue to Grow

A WELCOME FROM CRC CHATTOOGA

The holiday season is a time of gratitude, generosity, and hope. For 12 years, the generosity of our community has helped CRC Chattooga meet immediate needs and create opportunities for lasting stability. During our Foundation Year, we have seen what can happen when neighbors, churches, businesses, volunteers, and donors come together to care for one another.

Billy's Story

Billy's Story: Hope That Keeps Growing

When Billy first came to CRC through our warming shelter, he was already sober and working toward a better future.
Today, he has a home, a car, a better job, and the joy of his daughter spending nights together with him.
Billy has also given back to the community that supported him, volunteering to help others experiencing homelessness.
Billy's determination brought him this far, and we're grateful to have been part of his journey. Sometimes those who receive hope become the ones sharing it with others.

A Stronger Foundation for the Future

Thanks to a generous matching grant from **Atrium Health Floyd and the Atrium Health Floyd-Polk Foundation,** an extraordinary gift from the **Frank P. Pierce Foundation**, and contributions from caring individuals, work has officially begun on CRC's new roof!
We are deeply grateful to everyone who believes in our mission and has invested in our future.
It's more than protecting a building. It's protecting what happens under this roof—**where needs are met, hope is restored, and lives are changed.**

Help Hope Continue to Grow in 2027

We invite you to make a year-end gift to support CRC's broader mission: meeting immediate needs, connecting resources, and creating opportunities for lasting stability.

Your gift helps continue the work happening beneath this roof—feeding families, connecting neighbors with resources, and creating opportunities for lasting stability.
